Shorthorn Breeders Association

Shorthorn Show and Sale

Horse and Mule Barn

Sioux City, Iowa

MONDAY and TUESDAY

MARCH 16th and 17th, 1942

Announcement

The Interstate Shorthorn Breeders' Association extends a cordial invitation to all Shorthorn fanciers in this territory to attend this, their 29th annual show and sale.

For this years sale, we have inspected and approved more than 90 head of cattle from the better herds of the midwest. Your directors all worked hard to promote a successful sale but turned in a good job and got results. We are not pulling our punches but will assure all our patrons of the largest and best offering of Shorthorns ever assembled for an Interstate Sale. While we have many very excellent females in the offering, it is in the bull classes that outstanding animals, and plenty of them, will be found. The photographs reproduced on the following pages will indicate the type and quality of the cattle you may expect to see.

General Information

The show and sale will be held at the Horse and Mule Barn at the Sioux City Stock Yards. Judging will begin promptly at one o'clock on Monday, the 16th. At 6:30 that evening, our annual get-together meeting and banquet will be held at the Mayfair Hotel, to which all Shorthorn fans are cordially invited. Plenty eats, a splendid program and a jolly good time. Clinton K. Tomson will be present and show his film of Argentine pictures secured when he judged the Shorthorns at the great Buenos Aires Show last year. A very interesting picture, worth driving many miles to see even though new tires can not be bought with good money any more. James Bach has assured me he will have a most interesting program throughout the evening. The sale will be held Tuesday, the 17th, beginning promptly at noon.

Classification

Following is the show classification, made possible through the cooperation and support of the Sioux City Chamber of Commerce and Kiwanis Clubs, and the Interstate Shorthorn Breeders Association.

Sale Terms

Cash, except when arrangements for time has been granted by the consignor prior to the sale. Settlements to be made with Interstate Shorthorn Breeders' Association immediately following the sale, but it shall be understood that the said association assumes no liability, legal or otherwise and that the guarantee and terms as published herein shall constitute a contract between the consignor and purchaser of each lot.

All stock at buyer's risk as soon as bid off but management will carry out buyers instructions in loading and shipping, as nearly as possible.

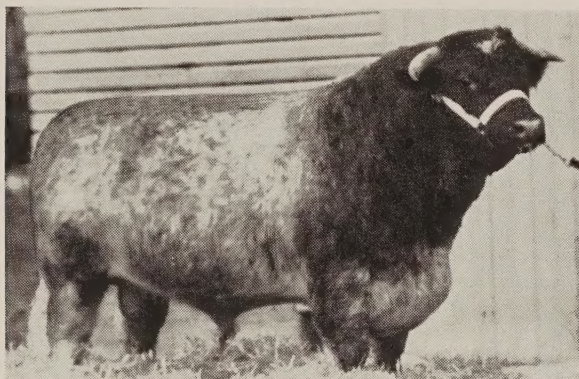

A Certificate of Registry with transfer will be furnished free of charge with each lot. For calves at foot and unborn calves, signed applications to be furnished by consignor.

Guarantee

All animals to be sold have been tested for T. B. and Bangs and health certificates will be furnished enabling them to go into any state.

Bulls are guaranteed breeders if not allowed to run with herd when under 20 months of age. If a bull fails to breed he may be returned to seller in as good condition as when bought and if after three months trial he fails to breed, the animal will be replaced with one of equal value or money refunded. Cows with calves at foot are considered breeders. All other cows and heifers over sixteen months old guaranteed breeders with the same retrial privilege as bulls. All cases of non-breeders to be reported within ninety days. Return freight when necessary to be paid by buyers.

Statesman Banker 1947222—Is no doubt one of the best bulls that will be offered for sale this spring. We are selling him only because we are keeping most of his heifers and are not in position to keep two herd bulls. He is active, a sure breeder, very thick and short legged, deep bodied, a grand head and rich color. He sired the Grand Champion bull at the Tri-State Sale at Sibley last year, the Reserve Grand Champion 4-H heifer in O'Brien County last fall and Reserve Grand Champion 4-H heifer at Spencer. Any one needing a tried sire and a real bull, just keep him in mind.

Kilblean Command 2054529—Here is a bull fully developed ready for immediate service and he should certainly prove to be a very impressive sire, very heavy bone, low down, thick, on short legs with ideal head and well set horn. He comes by this through type and style of his ancestors, no better in herd books. I have bred and owned this family for 36 years, owned the foundation Imp. Veronica bred by Robert Bruce in Scotland. Have sold some of them for \$500 each and one for \$1,000. Note the top six sires in the pedigree, four of them are sons of grand champions, the most popular strains of the day. One grand sire, Imp. Right Sort 510586, (sire of second dam) was the \$3500 bull considered in his day one of the best breeding bulls in America. Top sire, the Allen bred bull, Divide Inflation 1776174 (full brother to Divide Inflation), also a two times grand champion winner.

Don't Miss a Good Thing

This refers to Monday, March 16th, the day of preparation for this sale. You will be interested in seeing the cattle judged during the afternoon and a better opinion of the animals can be acquired than when examined in the stalls. All parties interested are invited to attend the annual banquet at the Mayfair Hotel at 6:30 that evening. You will be well fed and well entertained. James Bach, our Master of Ceremonies, will see to that. Sale patrons cordially invited. Secure tickets from any of our Directors.

F. E. JACKSON, Secy.

Browndale Avalon 2055410—Clem Larson, representing the American Shorthorn Breeders Association, wanted to buy this bull when he was a baby calf and place him with Herbert Rees of Pleasantville, Iowa, to feed out, in the belief that Herbert would develop him into a champion steer. Due to his age handicap, the plan was not carried out, and now, we hope he may do the breed more good as a bull than he would have as a show steer.

Brawith Adonis 2062844—Is another of those beautiful dark roans. Very much the same kind of a calf as his half brother, N. U. Gold Nugget, that was grand champion at the National Show at Denver this year. He is very thick and deep. There is no doubt that he will make a great sire if given a chance, and is good enough to head any herd.
